KITCHEN WATER HUB SOLUTIONS

MAKING KITCHEN LIFE EASIER

Drink. Prep. Clean. Everything you need, all in one place.

When it comes to investing in the right tools and equipment for your kitchen, you should never compromise on your sink, faucet and accessories. These three components work together to create your BLANCO UNIT, and are designed to provide an exceptional experience with water in the kitchen. With over 95 years of experience in kitchen water hub design, you can trust and appreciate the first class function, ease of care and German engineering that comes with every BLANCO UNIT.

With a wide range of materials, installation methods, styles and finishes, a BLANCO UNIT provides a versatile kitchen solution for many different households and lifestyles.

1925

HEINRICH BLANC started Blanc & Co. in Oberderdingen, Germany and began the production of tin plated copper containers.

1951

The company's finest hour came with the production of stainless steel sinks.

1965

The 4 millionth sink came off the production line. Innovations in the range of products continued.

1981

BLANCO begins production of colorful sinks made of the granite composite material known today as Silgranit.

1988

The sales and distribution of BLANCO products for the United States of America begins. BLANCO AMERICA is founded in Blackwood, New Jersey.

1995

25 millionth sink was produced. The second worldwide Silgranit manufacturing facility is established for North America, in Toronto, Canada.

2014

50 millionth sink is manufactured in Germany. Expansion of North American Silgranit manufacturing plant.

2016

BLANCO introduces the IKON – the world's first farmhouse sink made of Silgranit. This revolutionary farmhouse sink collection is made in Canada.

BLANCO AT A GLANCE

Family-owned since 1925, BLANCO's history began with a team of 30 loyal employees producing copper galvanized parts in Oberderdingen, Germany. Over 95 years later the company is now a leading manufacturer worldwide with subsidiaries in Europe, North America and Asia. BLANCO has a presence in 100 countries with headquarters and key production sites in southwest Germany, Canada and Czechia.

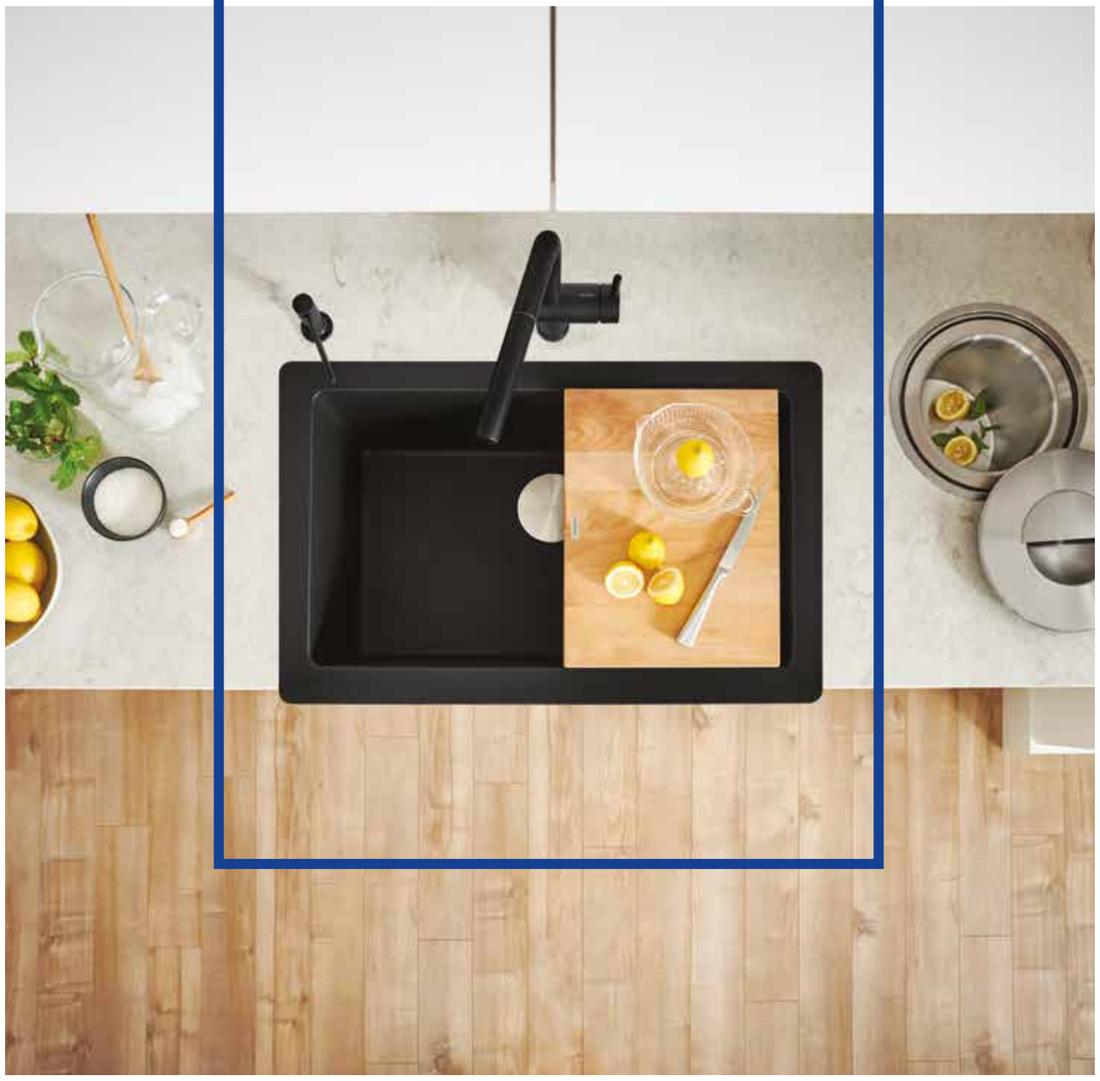

BLANCO focuses on systems that are meticulously designed down to the finest detail for kitchen water hubs in households around the world. BLANCO systems are known for their modern design, ergonomic handling and reliable product quality. BLANCO is committed to sustainably upgrading residential kitchens with products that enhance and assist with drinking, prepping and cleaning.

BLANCO AMERICA operates out of its Corporate Head Office & Distribution Center located in Lumberton, New Jersey.

BLANCO UNIT
drink. prep. clean.

What is a BLANCO UNIT?

A BLANCO UNIT is a seamless, fully integrated, kitchen water hub solution that makes everyday life in the kitchen easier. It is a sink, faucet and accessory system that works together to enhance your experience with water. This is where you wash your hands, hydrate yourself, prepare your food and clean up life's messes. A BLANCO UNIT offers the perfect combination of premium products for drinking water, preparing food and cleaning.

THE BLANCO UNIT

Everything you need, all in one place.

DRINK

Your source of water. Water plays an essential role in kitchen life. When it comes to accessing water in your kitchen, you want a smart and trustworthy solution. A BLANCO UNIT will provide you with a beautifully designed faucet that is functional and intelligent. Color-coordinated sink and faucet combinations create a unique, holistic water hub design.

PREP

Focus on the food. Having a well-thought-out solution that simplifies your workflow will make things easier and save you time. Put your energy and focus into your next culinary masterpiece with the help of a BLANCO UNIT. Premium sink and accessory combinations streamline meal prep and reduce clean-up.

CLEAN

No stress kitchen mess. Life in the kitchen can get messy. Incorporate green living into the design of your BLANCO UNIT with our eco-friendly, dishwasher-safe SOLON. Our organic waste system is designed to make heavy duty cleanup easier than ever. Winner of the international iF Product Design Award means you don't have to sacrifice style for sustainability.

SILGRANIT® SINKS

Beautiful. Strong. Clean.

Silgranit sinks are admired around the world for their exclusive styles and designer color palette. The kitchen has become a central point in our homes and a reflection of our lifestyle. And your sink is an integral part of your daily kitchen routine. With such a wide assortment of styles, configurations, colors and sizes, we know you will not only find, but also fall in love with your new Silgranit sink.

Exclusive Design. Our Silgranit portfolio is offered in 9 different colors and features over 300 exclusive sink designs for you to choose from. Modern farmhouse styles and spacious undermounts in striking hues like our latest Coal Black, will make your Silgranit sink the statement piece you've been looking for.

Unsurpassed Durability. A Silgranit sink is the ultimate choice for long-lasting kitchen bliss. Silgranit sinks use advanced engineering to produce a material that easily withstands everyday wear and tear. Scuff marks from knives and heavy pots, boiling water, hot pans and baking trays straight from the oven – don't stand a chance against Silgranit.

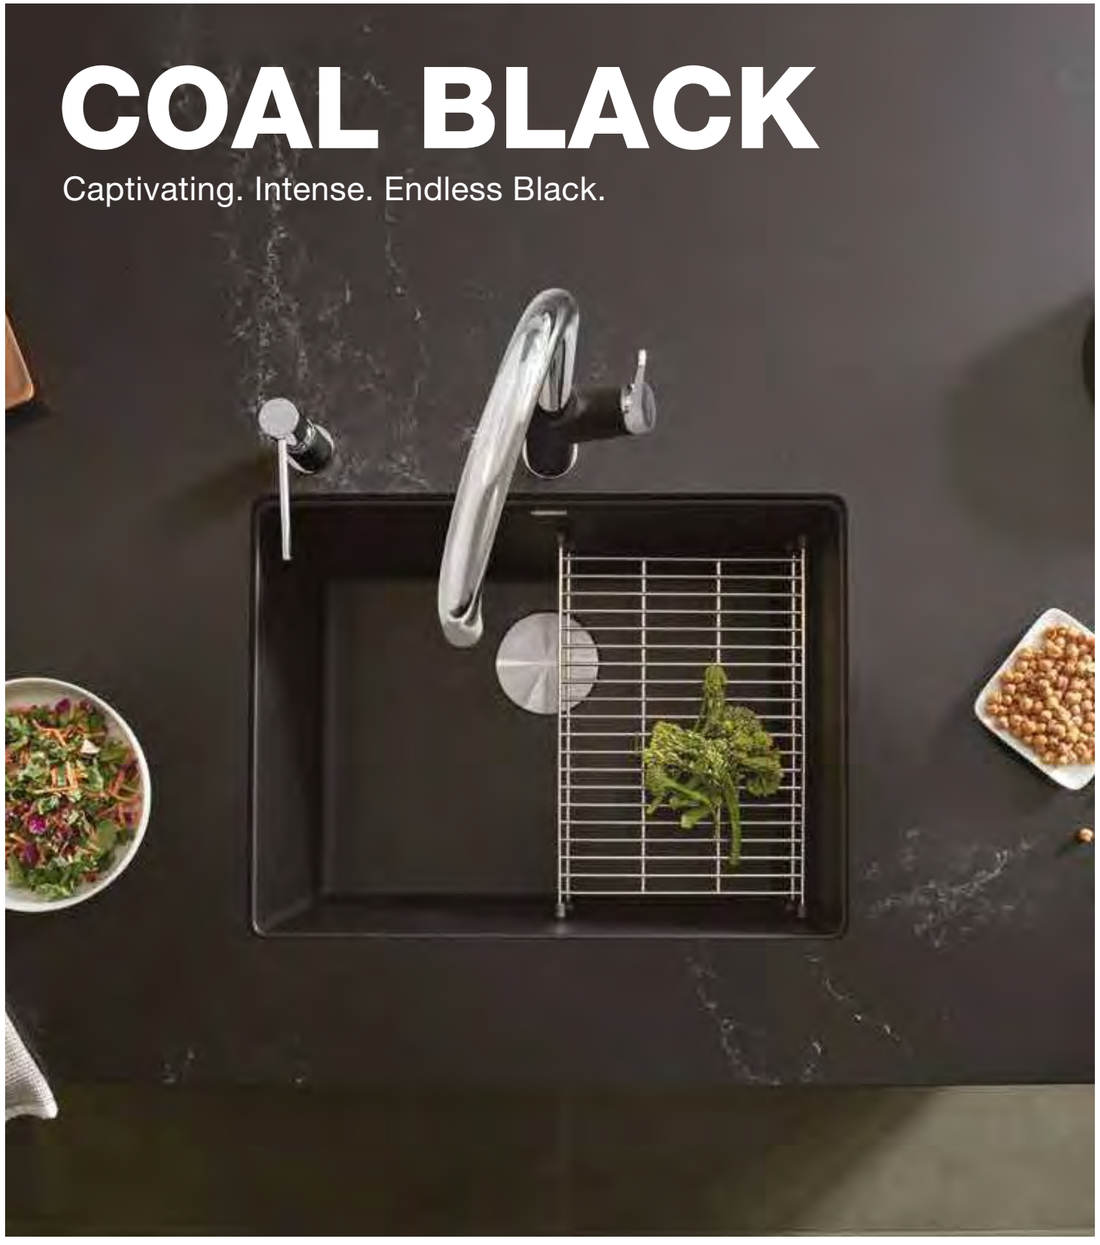

Easy to Clean. Silgranit has a non-porous, smooth stone surface that repels water and liquids, making it stain-resistant and easy to clean. Our patented Hygienic+Plus surface protection formula reduces bacteria growth by an average of 98%. This low-maintenance, long-lasting material will help make life in the kitchen easier.

Silgranit sinks are made of up to 80% quartz sand, the hardest element of natural granite. BLANCO is the only granite composite sink manufacturer that meets the Terrazzo, Concrete, and Natural Stone Plumbing Fixtures Standards (CSA B45.8-18/ IAPMO Z403-2018). Silgranit sinks are tested, certified and listed as a composite stone material and are proudly made in North America at our manufacturing facility in Toronto, Ontario, Canada.

COAL BLACK

Captivating. Intense. Endless Black.

Discover amazing new design opportunities with the ultimate matte-black accent for your kitchen. Our latest Silgranit color, Coal Black, is a deep, intense, flat matte-black that coordinates beautifully with matte cabinetry and countertop finishes found in contemporary kitchens. Whether you want a light kitchen with matte-black accents, or a dark, dramatic monochromatic kitchen design, Coal Black is the perfect choice for those who love **bold design**.

SILGRANIT® Sinks

BLANCO SILGRANIT® COLOR PALETTE

Discover the beauty.

NEW

COAL BLACK

ANTHRACITE

No speckles. No sparkles. Just black. Coal Black is a pure, flat, seemingly endless matte-black color with a smooth silk-matte feel. This tastefully eye-catching shade of black comes with the same quality, performance and material benefits of our other Silgranit colors.

Color is such an important part of our lives, especially within our homes. It is a fundamental aspect of interior design and has the power to uplift, energize, soothe and awaken. Silgranit's carefully curated spectrum of nature-inspired neutrals are designed to transform your sink space while staying classic enough to stand the test of time.

VINTERA™

Modern simplicity. Vintage inspired.

NEW

SILGRANIT® Sinks

The combination of vintage inspiration and modern design brings the new VINTERA farmhouse sink collection. With all the material advantages of Silgranit, a slim 6 ½-inch apron and a generous 9-inch bowl depth, the VINTERA is both spacious and sleek. This new farmhouse family launches in two models, the VINTERA 30 Super Single and the VINTERA 33 Equal Double.

Its streamlined apron design and versatile installation capabilities are what make this farmhouse family so exceptional. Farmhouse sinks are typically installed as undermounts, but the VINTERA allows for a striking flushmount installation – visually showcasing a beautiful rim of Silgranit color. The VINTERA collection offers homeowners a modern, clean, simplified version of the apron front sink style.

IKON®

Apron front masterpiece defined.

Low divide feature as seen on the IKON 33 1¾ LOW DIVIDE sink

Rounded corners and smooth Silgranit material

Beech cutting board available for all IKON models

The IKON collection combines the popular farmhouse style with the added benefits of our patented Silgranit material. With its prominent 10” apron, the IKON is the perfect farmhouse sink for relaxed, modern country kitchens boasting craftsmanship and rustic charm. The IKON collection is a fresh take on a classic style, made in a durable material that will withstand the demands of your busy family.

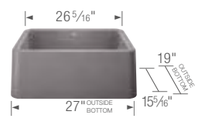

The revolutionary IKON collection comes in all 9 Silgranit colors in 4 different models: IKON 33", IKON 33" 1-3/4 LOW DIVIDE, IKON 30", and IKON 27". IKON sinks feature custom accessories and a slightly angled apron design, adding a subtle, architectural detail.

IKON

SILGRANIT

- Made in Canada
- Patented granite composite material made of up to 80% quartz sand
- Heat, scratch and impact-resistant
- Non-porous, repellent, stain-resistant - does not absorb liquids or acids
- Easy to clean – does not require harsh chemicals

PERFORMA™

Indulge in the performance, function and beauty.

Indulge in the ultimate performance of this colorful, functional and sleek collection. With unique shapes and lower 6" divides, you can easily maneuver long-handled pots or large pans right inside the sink. The PERFORMA collection also offers the unique PERFORMA Cascade sink which features a raised platform and custom-fitted mesh basket for added functional prep. Made in Canada and engineered in Germany, PERFORMA sinks are available in a wide range of Silgranit colors.

PRECIS™

Be prepared for the unexpected.

The PRECIS collection is one of our largest sink families with over 10 different sink models offered in a range of interesting styles. Modern design details and crisp, clean lines define the PRECIS family; tight radius corners, raised platforms for mesh baskets, and low bowl divides to name a few. A wide selection of BLANCO accessories such as grids, cutting boards and baskets are also available, bringing design and culinary experience to the next level.

STAINLESS STEEL SINKS

Classic. Timeless. Beautiful.

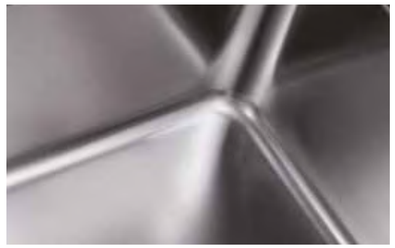

Over 95 years of experience in kitchen technology

BLANCO offers the ultimate in stainless steel quality and craftsmanship. A stainless steel sink is timeless and integrates beautifully in any kitchen environment.

Built with superior steel, convenient features and German engineering, BLANCO offers a wide range of stainless steel sink styles designed to suit a variety of floorplans and design themes.

Made from premium quality 304 series, 18/10 chrome-nickel content, BLANCO stainless steel sinks are engineered in Germany to exacting standards of precision. BLANCO sinks and faucets are supported by a Limited Lifetime Warranty.

Quality

BLANCO sinks are made from superior quality stainless steel with 18/10 chrome-nickel content. BLANCO stainless steel sinks will keep their brilliance and value for decades.

Durability

Stainless steel is impervious to water stains and calcium deposits and is easy to maintain. It is non-porous, rust and stain-resistant. BLANCO stainless steel is also heat-resistant.

Design

BLANCO's stainless steel selection offers a wealth of design options and product features. Rounded or tight corners, different bowl depths, sink shapes and configurations – you can discover them all.

Accessories

Sink grids, cutting boards and colanders are offered with many BLANCO stainless steel sink models to create the ultimate BLANCO UNIT experience.

PRECISION® R0

Art of precision in every detail.

The PRECISION collection offers some of BLANCO's finest stainless steel sink technologies. Precision, symmetry and craftsmanship are united for an extraordinary experience. This collection has a wide product assortment demonstrating quality and design innovation. From undermount sinks with crisp lines and zero radius corners to our velvety-matte Durinox farmhouse, PRECISION sinks are the ultimate choice in kitchen design.

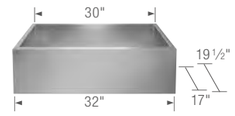

Zero radius corner

PRECISION R0 DURINOX

Durinox Stainless Steel

- Made in Germany
- Velvety-matte Durinox surface
- Rear-positioned drain hole maximizes cabinet storage
- Zero-radius corners
- Highly resistant to scratches; twice as hard in comparison to conventional stainless steel surfaces
- Limited Lifetime Warranty

Apron Front	PRECISION R0 DURINOX APRON SUPER SINGLE

Optional Accessories		
	Grid 221018 **$ 172**	3-in-1 Basket Strainer 441231 **$ 99**

The Durinox production process
Shot peening is a hardening process which entails using millions of tiny stainless steel balls to impact both sides of a sheet of stainless steel at a speed of 186 mph. This surface treatment is followed by an extremely precise restoration process that returns the stainless steel sheet back to a level state, resulting in a resilient surface that is twice as hard as traditional stainless steel.

FIRECLAY SINKS

Old world elegance meets sophisticated design.

Discover the classic beauty of BLANCO fireclay.

Our Fireclay farmhouse sink collection tells a unique story. Traditional aesthetics get updated in all the right ways with flexible corner styles and modern design enhancements. Hand-finishing techniques and high firing temperatures used during the production of a BLANCO Fireclay sink results in a smooth, glossy surface that is both beautiful and easy to clean. Enjoy old world charm with the timeless beauty of BLANCO Fireclay.

Craftsmanship

Hand-finishing techniques and high firing temperatures result in a smooth, glossy, beautiful surface.

Innovative Accessories

The PROFINA sink features an innovative accessory ledge, adding functional convenience and ergonomic comfort.

Reversible Design

Our CERANA farmhouse sinks adds versatility to your kitchen décor with a reversible design allowing for flexible installation options.

PROFINA™

The perfect companion for home chefs.

Innovative ledge

Beech cutting board (included)

Dish rack (sold separately)

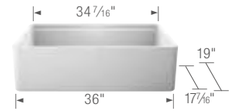

The PROFINA farmhouse sink strives for a truly modern country experience with home chefs in mind. This massive 36-inch wide galley-style apron sink features a unique design with an innovative accessory ledge, adding functional convenience and ergonomic comfort. The PROFINA is the perfect companion for prepping, cooking and cleaning - featuring a beech cutting board and floating dish rack that fits perfectly along the inside ledge of the sink.

CERANA®

Authentic. Unique. Versatile.

The CERANA farmhouse sink is the first ceramic sink to provide a reversible sink design with two different apron styles to choose from. On one side, there's a slightly more traditional apron design with larger, open, rounded corners. On the other side, a slightly more contemporary look with tighter, angled corners. This versatile, reversible installation option lets you decide which apron to showcase in your kitchen.

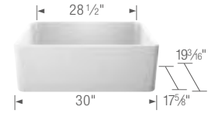

Reversible design with two different corner styles

FARMHOUSE SINKS

Excelling in style. Excelling in choices.

A true commitment to farmhouse sink design.

Enjoy that timeless farmhouse charm – without the farm. From traditional country farmhouse to contemporary urban condo kitchens, BLANCO has the perfect apron front sink for every kitchen design. This iconic sink style originated in large farmhouse kitchens but can now be enjoyed in even the smallest, most compact urban settings. Choose from over 60 different sink models in 3 of the finest, most durable materials.

SILGRANIT

Beautiful. Strong. Clean. Add color to your farmhouse sink with the IKON and VINTERA collections, while enjoying all the material benefits of our patented Silgranit material.

Stainless Steel

As a world leading manufacturer of stainless steel products, our QUATRUS R15 farmhouse collection combines the traditional farmhouse style with contemporary details.

Fireclay

Old world elegance meets sophisticated design. The creation process includes handfinishing techniques and high firing temperatures resulting in a smooth, glossy surface.

Cubed Weight	52 lb.

Optional Accessories			
	Grid 221018	**$ 172**	3-in-1 Basket Strainer 441231	**$ 99**

The Durinox production process
Shot peening is a hardening process which entails using millions of tiny stainless steel balls to impact both sides of a sheet of stainless steel at a speed of 186 mph. This surface treatment is followed by an extremely precise restoration process that returns the stainless steel sheet back to a level state, resulting in a resilient surface that is twice as hard as traditional stainless steel.

ADA SINKS

Greater accessibility by design.

Universally accessible kitchen design.

Everybody can appreciate a kitchen that is spacious, organized, safe and well planned. Effective design provides greater accessibility and implements the unique principles of universal design in a way that helps aging generations and people with disabilities truly engage with their built environment.

Designing for accessibility and the concept of aging in place is focused and intentional. Accessible design incorporates long term design elements that provide flexibility for families, couples and individuals with a diverse range of ages and abilities. Kitchen designers recognize the sink space as an important part of the working triangle, formed by the sink, stove and refrigerator. An efficient kitchen maximizes independence and maneuverability, while also keeping this working triangle compact.

Universally Accessible Kitchen Design

BLANCO helps kitchen designers, builders and plumbers keep the sink area functional and accessible by offering ADA B651 compliant sinks designed specifically for this market segment.

Material Options

Both Stainless Steel and Silgranit sink models are available - Silgranit is an extremely durable, granite composite material that is exceptionally easy to clean.

Undermount Installation

BLANCO ADA compliant sink models are available with an undermount installation. This provides more flexibility for the location of the faucet – install it behind, or beside the sink.

Easy To Use Faucets

BLANCO has an assortment of single lever and automatically activated faucets – providing easy control of water temperature, flow and direction.

PRECIS

SILGRANIT ADA Sink

- Made in Canada
- Patented granite composite material made of up to 80% quartz sand

BAR / PREP SINKS

Small sinks. Big advantages. Stylish choices.

Prep in style with even more material options.

BLANCO offers an impressive lineup of bar and prep sinks in both stainless steel and Silgranit materials. Square, rectangle or round shapes in different colors add a touch of style to prep spaces. These sinks might be small, but they are packed with functional features designed to make beverage and meal prep easier. Silgranit bar sinks can also be color coordinated with full color bar and prep faucets.

SILGRANIT

A pop of color could be the perfect finishing touch for your new bar or prep sink station. Choose from 4 different models in some of our favourite Silgranit colors.

Stainless Steel

The choices are endless with BLANCO's stainless steel bar and prep sink portfolio. With over 10 different models, BLANCO has a bar sink for every prep zone in your home.

SILGRANIT Bar / Prep Sinks

- Patented granite composite material made of up to 80% quartz sand
- Heat, scratch and impact-resistant
- Non-porous, repellent, stain-resistant - does not absorb liquids or acids
- Easy to clean – does not require harsh chemicals
- Hygienic+Plus surface protects against bacteria
- Rear-positioned and centered drain hole maximize cabinet storage
- Limited Lifetime Warranty

LAUNDRY SINKS

Add new life to your laundry room.

Every space deserves to be beautiful.

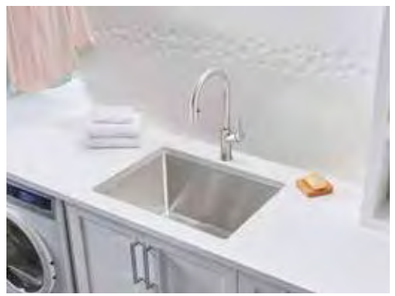

Every room in your home deserves to look its best. Smart design is starting to permeate every corner of your home and the laundry room is no exception. Take your laundry room to the next level with clean, modern and highly functional design aesthetics found in our beautiful collection of laundry sinks. From timeless stainless steel to trusted Silgranit, we go beyond basic function with thoughtful design features and practical accessories.

SILGRANIT

Our LIVEN laundry sink is available in 9 beautiful Silgranit colors and will add new life to your laundry room. This durable, dual-mount, 12-inch deep laundry sink will hold up to many years of heavy duty laundry days.

Stainless Steel

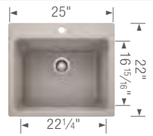

The QUATRUS R15 laundry sink helps make laundry day feel a little bit easier. Soak, scrub and wash as much as you want in this roomy 12-inch deep dual-mount laundry sink. With 15 mm radius corners, you can also easily wipe away any dirt or grime that's left behind.

FAUCETS

Inspiring styles. European design.

Distinct styles and award-winning designs.

BLANCO kitchen faucets are continuously awarded prestigious international awards for design, quality and excellence. The beauty of our faucets goes beyond the surface with impeccable styling details infused from the inside out. Many BLANCO faucet collections have matching bar faucets and soap dispensers, so you can create a unified look. With over 100 shapes and sizes in beautiful color-coordinated finishes, find your dream faucet from one of our 3 distinct style categories.

iF DESIGN AWARD 2018

Focus Open 2015 Gold

reddot award 2015 winner

Semi-professional

Inspired by faucets used in professional, commercial kitchens, semi-pros feature special details such as pressure sprayers, flexible spring coils and magnetic docking arms.

Contemporary

Modern, minimalistic design defines this faucet style. Sleek, streamlined features such as low arcs and pull-out sprayheads are typically seen in this category.

Classic

Traditional styles are more elegant and ornate in design, but still modern in terms of functionality and performance. The EMPRESSA Bridge is the perfect example.

EXTRAORDINARY FINISHES

The perfect finishing touch.

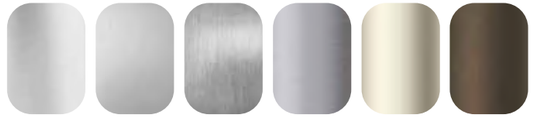

Color-coordinated

In addition to a variety of full metal faucet finishes, BLANCO exclusively offers color-coordinated finishes in over 25 different options, all designed to coordinate beautifully with our entire spectrum of Silgranit sink colors.

Metal Finishes

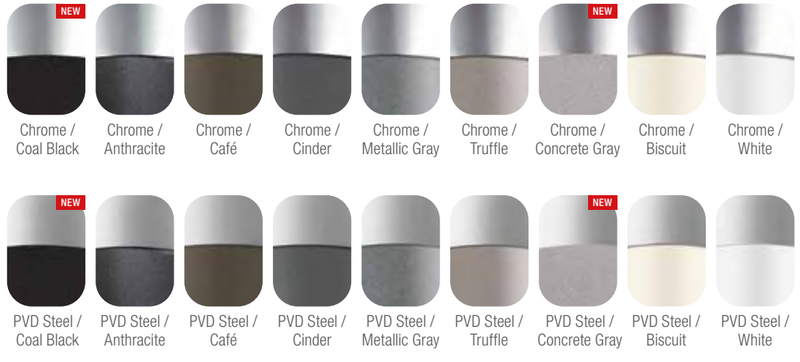

Chrome | PVD Steel * | Classic Steel** | Stainless Steel | Polished Nickel | Oil Brushed Bronze

SILGRANIT-Look – Full Finishes

Coal Black | Anthracite | Café | Cinder | Metallic Gray | Truffle | Concrete Gray | Biscuit | White

PVD Steel / Coal Black | PVD Steel / Anthracite | PVD Steel / Café | PVD Steel / Cinder | PVD Steel / Metallic Gray | PVD Steel / Truffle | PVD Steel / Concrete Gray | PVD Steel / Biscuit | PVD Steel / White

* NEW finish name (previously Stainless Finish)
** NEW finish name (previously Satin Nickel)

DESIGNED TO LAST

Built to perfection with sustainability in mind.

Water Conservation

The majority of BLANCO faucets have now switched from 2.2 to 1.5 GPM, providing water saving benefits while still delivering strong water performance.

Premium Quality

BLANCO faucets are made of solid brass or stainless steel construction, with pressure resistant ceramic cartridges that are smooth in operation.

Easy Installation

All BLANCO faucets are equipped with color-coded, quiet functioning, flexible braided stainless steel inlet hoses.

Convenient Features

Many faucets include patented silicone nozzles – simply rub the nozzles with your fingertip to prevent buildup from lime scale deposits.

Functional Details

Pull-out sprayheads, dual spray, magnetic docking arms and sensor technology provide the ultimate convenience in the kitchen.

CSA, cUPC & NSF Certified

Note: All BLANCO faucets require the same size, 1 3/8" diameter drilled faucet hole. All faucet parts that are required for installation are included in the faucet packaging.

Limited Lifetime Warranty - see page 166 for full warranty.

SOLENTA®

Semi-professional

Innovative sensor control

Close 2 ½" range detection

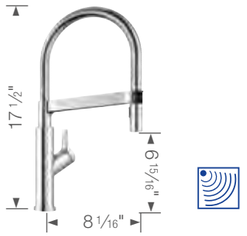

LED display

The SOLENTA semi-pro faucet collection is available in both sensor and non-sensor versions and offers superb quality with innovative design elements. A solid brass body and flexible, high-quality hose encased in stainless steel makes this faucet both durable and easy to clean. The SOLENTA Senso provides the ultimate hands-free experience by combining reliable materials with a sophisticated start-stop technology. The SOLENTA Senso turns on with a simple hand movement and automatically shuts off after 90 seconds. All BLANCO faucets are supported by a Limited Lifetime Warranty.

ATURA™

Contempoary

Organic style and high performance combine to bring you the ATURA faucet collection. Designed with a high arc spout and solid brass body, the ATURA blends durable faucet components with a smooth, transitional silhouette. Durable, easy to clean finishes and a matching bar faucet makes the ATURA an appealing collection. The wide, powerful spray and comfortable handling also makes it a great choice for laundry and mudrooms.

ACCESSORIES

Complete your BLANCO UNIT with custom accessories.

Go beyond the basics with next level meal prep.

BLANCO accessories are designed to make life in the kitchen easier. Available for undermount, drop-in and farmhouse sink varieties, accessories work together with your sink and faucet to create a seamless, highly functional kitchen water hub experience. Customize your BLANCO UNIT with our wide range of high quality, innovative accessories tailored to meet the needs of your busy lifestyle.

BLANCO accessories offer the highest quality in material and workmanship and are designed to custom fit a wide range of sink models.

Organic Waste System

SOLON is made from the highest grade recycled stainless steel, collecting organic waste beneath the counter and out of sight.

Custom-fitted Grids

Constructed of stainless steel and dishwasher safe. Custom-fitted bottom grids offer protection for your sink while floating grids provide a comfortable, elevated surface.

Colanders and Baskets

Colanders and baskets can be used for drying dishes or for rinsing fruits and vegetables.

Cutting Boards

A wide variety of quality cutting boards are available in ash, beech, walnut, red alder and glass.

Functional Sink Rails

Exclusive to the QUATRUS ERGON, these stainless steel sink rails help you fill, soak, rest, drain, defrost, and elevate...plus so much more!

ORGANIC WASTE SYSTEM

We’ve made it easier than ever to incorporate green living into your life.

Say hello to the award-winning SOLON Organic Waste System. SOLON is created from the highest grade recycled stainless steel, effortlessly collecting organic waste from eggshells to coffee grounds, beneath the counter and out of sight.

Simple to clean and dishwasher safe, this eco-friendly solution is the winner of the prestigious international iF Product Design Award, so you never have to sacrifice style for sustainability. Welcome the SOLON Composting System into your home and enjoy the beauty of BLANCO inside and out.

SOLON™

Sustainability with style.

SOLON organic waste system traps odors inside and integrates seaminglessly with the counter, so you hardly know it is there.

Simple to clean and dishwasher safe, SOLON organic waste system removes easily from your countertop for emptying and clearing.

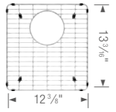

SOLON Organic Waste System

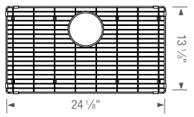

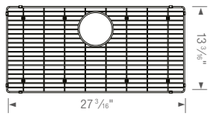

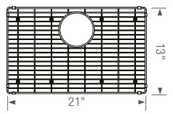

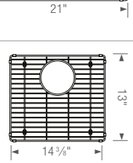

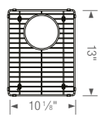

- Ideal for food waste, the SOLON stainless steel bin can be conveniently installed in any space
- Flushmount installation
- Frame, lid and 1.8 gallon bin made of high-grade stainless steel
- Easy to clean and dishwasher safe
- Winner of prestigious international IF award for product design

How to choose a sink

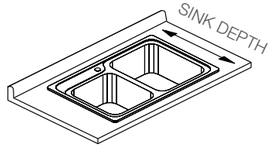

Determine the size of your sink cabinet

- Standard kitchen cabinets come in size increments of 3” (for example 18”, 21” 24”, 27”, 30”, 33”, 36” etc.).
- Measure from gable to gable (left to right). Be sure to measure from outside edge to outside edge.
- This is the minimum cabinet size. All BLANCO sinks indicate the minimum cabinet size requirements.

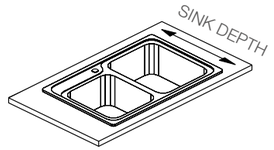

Determine the depth of your countertop

Are you keeping an existing laminate countertop that has a backsplash?

A sink that measures up to 20 ½“ deep (front to back) should fit.

Are you keeping an existing laminate countertop that has a backsplash?

A sink that measures up to 22“ deep (front to back) should fit.

Sink material

SILGRANIT	Stainless Steel	Fireclay
• Patented granite composite material • Extremely durable: scratch, stain, heat & impact-resistant • Variety of colors • Easy to clean	• Heat and stain-resistant • BLANCO stainless steel sinks come equipped with sound absorbing pads to reduce noise	• Ultra-smooth, polished surface • High gloss white • Easy to clean

How to choose a sink

Sink Style

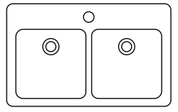

Rethink your sink with more style options! BLANCO offers farmhouse sinks, sinks with integrated drainboards, undermount and drop-ins - all with a variety of bowl configurations.

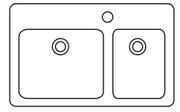

Bowl configuration and depth

Choose a bowl configuration that suits the needs of your household.

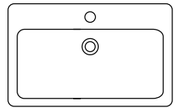

Double Bowl

Offset Double Bowl

Single Bowl

Low Divide Double Bowl

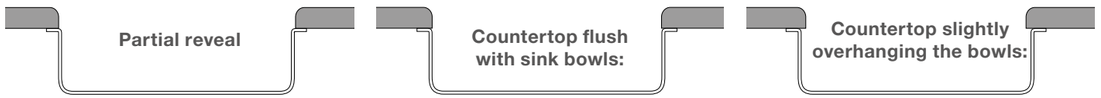

Determine the depth of your countertop

Undermount

Undermounted sinks bring a touch of refinement to any kitchen. A pleasure to own, especially at clean-up time, their design allows crumbs to be easily swept into the bowl. Truly a clean design.

Three undermount reveal options are possible depending on individual preference. These options apply to both stainless steel undermounts and SILGRANIT®. **Note that BLANCO templates for most undermount sinks provide a 1/8-inch reveal around the bowl which is necessary to proper fit of accessories and cutting boards.** Check the instructions on the template that comes with your BLANCO sink to see the reveal measurement allotted by that template. Sink templates are supplied only as a guide. The physical use of the sink will ensure a more accurate cutout.

Finally, ensure that enough space is left behind the sink for any fixtures that may be required — including faucet and other accessories.

The amount of reveal is flexible—more or less depending on the look that is desired! Deciding on your preferred look must be done prior to cutout of countertop.

No reveal or very little of the sink rim is visible.

No sink rim is visible as it is hidden under the counter edge.

Drop-in / Topmount

This is when the sink is installed on top of the counter. Great for any countertop material, especially laminate which cannot have a clean, polished edge around the sink opening.

Farmhouse / Apron front

Most farmhouse sinks have a customized undermount installation, however please refer to individual product instructions for more details.

Sink Care

General sink care

- A kitchen sink is a heavy-duty appliance that may show signs of wear over time. Regular cleaning is the best form of maintenance and will help to extend the life and beauty of your sink.
- **Keep the sink dry.** Regularly rinse and towel dry your sink with a soft, dry cloth. This will prevent surface deposits and water spots caused by limescale.
- **Rinse away cleansers** after use and wipe the sink dry to prevent water spots.
- **Use vinegar and water** in a mild solution to remove any built-up mineral deposits.
- **Do not pour paint into your sink.** The chemicals in acrylic paint will react with Silgranit sinks if allowed to sit over 24 hours and will leave permanent marks. For latex-based paints, try removing any residue immediately using a paint remover manufactured by the same brand. Consult the paint remover recommendations before using on any sink.

Additional tips for SILGRANIT and Fireclay sinks

- **Use liquid cleaners sparingly and rinse well after use.** BLANCOCLEAN is specially formulated to maintain the look and beauty of Silgranit sinks.
- **Avoid highly abrasive cleansers.** However, a bleach-water solution (50/50) can be used on Silgranit and Fireclay sinks. For stubborn food stains, pour the bleach solution onto a cloth and cover the stain. Allow the bleach to sit for at least 30 minutes, clean with a mild dish detergent and rinse with water.
- **Keep extremely hot pots away from the sink.** Silgranit sinks can withstand temperatures of up to 536°F. However, modern pots can reach higher temperatures. Therefore, contact with extremely hot pots should be kept to a minimum.

Additional tips for stainless steel sinks

- **Use non-abrasive cleansers.** BLANCOCLEAN is a combined cleaner and polish and will help maintain the original luster of your sink. However, other non-abrasive liquid cream cleaners can also be used. Do not use strong abrasive cleansers, cleansers that contain chlorine (usually sodium hypochlorite) or hydrochloric acid. Do not use steel wool or metal scrub pads—these will scratch and dull the surface of the sink.
- **Follow the grain of the steel if using a stainless steel polish.** When using a stainless steel polish, ensure that you read directions carefully. Use a damp cloth and follow the grain of the steel when polishing. For best results, rinse with water and buff with a soft, static-proof cloth. Test on a small area first.
- **Do not drop sharp objects into your sink** and do not use your sink surface as a cutting board as this may scratch or damage the sink. Materials that are harder than stainless steel can scratch, including stone, diamond, glass, ceramic or abrasives.
- **Use a sink bottom grid to protect your sink.** BLANCO custom sized stainless steel grids fit inside the bottom of the sink to protect it from scratches caused by sharp utensils or other kitchen tools.
- **Rust spots and stains can be removed** with metal cleaners such as Flitz. Stainless steel does not rust, however rust stains may occur as a result of other materials coming in contact with the sink allowing iron particles to bond to the sink's surface. Iron particles introduced by metal cookware, steel wool pads, etc. can react with water and deposit rust spots.
- **Do not use rubber-coated mats** as discoloration of the sink may occur after prolonged use. Similarly, any wet sponges or cleaning materials left on the sink for long periods could stain the sink's surface.

How to choose a faucet

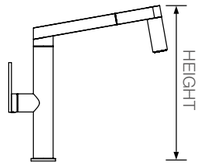

Faucet style

Determine what style will fit the design of your kitchen. From modern semi-professional to traditional bridge faucets – understanding your style preference will help you pick a faucet you will love.

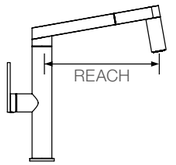

Faucet height

Ensure there is enough clearance for upper cabinetry by knowing the height of the faucet you're interested in. High arc faucets are usually more suited for island installations, or in front of a window.

Faucet reach

Make sure you check how far the spout reaches out from the faucet's base to ensure it's proportionate to the size of your sink.

Features

Look for features like pull-out or pull-down sprays, professional hose coils and magnetic docking arms. These features add a lot of value to everyday kitchen tasks.

Finishes

Chrome, stainless steel, classic steel, matte black or dual finish options can make a huge impact on the overall look and design of your kitchen. For full finish details, see page 109.

Terms and Conditions

Important: Our Terms & Conditions have changed

- $100 minimum order on all PO's except for parts
- All sales are Net 30 days
- Prices are subject to change with 30 day notice. All orders will be invoiced at the prices in effect at the time of receipt of order.
- Upon delivery, if there is visible damage to the carton, claims against breakage and/or shortages must be made at time of receipt against the carrier. Also, please notify BLANCO of any breakage or shortage within 48 hours.
- Concealed damage must be reported to BLANCO within 72 hours of receipt of merchandise to point of shipment.
- Any item found missing from a sink or faucet must be reported to BLANCO within 48 hours of receipt of merchandise.
- BLANCO AMERICA will not be held responsible for any cut out done without the use of and in accordance with the template or specification sheet.
- BLANCO AMERICA reserves all rights to accept an order.
- We value all our customers and aim to provide the same level of service to everyone. All rush orders where indicated will be processed and shipped in a timely manner.
- All rush orders must be indicted on the purchase order and in the body of the email.
- After placing your order, BLANCO will attempt to accommodate any additions or deletions to the order. However, once the order has been processed, staged, or placed in the delivery truck, no further changes can be made.

Freight Policy

Returned Goods Authorization

RGA Process For Uninstalled Products

- Please note that our policies, procedures, and contact information regarding ALL returns has changed.
- All returns regardless of product and or part must be accompanied by a Return Goods Authorization Number (RGA) issued by BLANCO America.
- **BE ADVISED that our Returned Goods Authorization (RGA) system is for UNINSTALLED PRODUCTS ONLY** and now classified into two separate types with specific processes and requirements noted below. (1) Quality concerns and shipping damage and (2) All Other RGA's
- All items must be returned in their original carton and in saleable condition.
- Product must be listed in current price book.
- Product must not be altered (i.e. faucet hole drills).
- **IMPORTANT NOTE: All Return Authorizations will expire 30 days after issue.** Return Authorized products must be received within 30 days or credit will be denied. Credit will also be denied for return shipments that are not accompanied with a pre-approved Return Authorization.

Damaged or Defective RGA's

1. RGA requests for uninstalled damaged or defective products must be submitted via email to RGA@blancoamerica.com within 90 days of purchase.
2. **RGA requests must include:** (A) reason for request, (B) the BLANCO Model Number, (C) Purchase Order Number, (D) clear photo of the area in question on your product, and (E) a full view of the entire product photo. SILGRANIT® RGA requests require an additional photo of the molding label which can be found on the bottom of the sink.
3. DAMAGED or DEFECTIVE RGAs must be approved only by BLANCO's Customer Service Department with requests submitted via email to RGA@blancoamerica.com.
4. BLANCO will determine if the product must be returned. Disposition granted as "Authorization to Destroy on Site" via approved RGA will result in immediate credit. Disposition granted as "On Site Review" requires the product be returned back to BLANCO in order to proceed with evaluation of the request.
5. Once approved by BLANCO for physical return, you will receive a prepaid UPS shipment label. Apply this to the carefully packaged product. The Returns Authorization MUST BE INCLUDED with the return package.
6. Call UPS for a pickup at 1-800-PICK-UPS (1-800-742-5877) or drop off at a UPS shipping location.
7. **IMPORTANT NOTE: All Return Authorizations will expire 30 days after issue.** Return Authorized products must be received within 30 days or credit will be denied. Credit will also be denied for return shipments that are not accompanied with a pre-approved Return Authorization.

All Other RGA's

1. RGA requests for uninstalled NON-damaged sellable products must be submitted via email rga@blancoamerica.com. All requests are subject to review prior to approval.
2. **RGA requests must include:** (A) reason for request, (B) the BLANCO® Model Number, (C) Purchase Order Number.
3. 25% restocking fee applies to returns.
4. **IMPORTANT NOTE: All Return Authorizations will expire 30 days after issue.** Return Authorized products must be received within 30 days or credit will be denied. Credit will also be denied for return shipments that are not accompanied with a pre-approved Return Authorization.

Warranty Information

Warranty Claims for Installed Products

- All issues with installed BLANCO product are considered warranty claims.
- Our warranty extends to the original homeowner, specifically to the original homeowner as long as the homeowner owns the home in which the product was installed.
- Warranty issues are processed in the homeowners name which enables BLANCO to capture the specifics of the warranty issue so that we have the history should there be any issues in the future.
- Homeowners can submit warranty claims for sinks, faucets and accessory concerns via email at warranty@blancoamerica.com. The email must include the homeowners name, address, phone number, BLANCO Model Number, photo, Proof of Purchase, and a description of the issue. Silgranit claims require an additional photo of the label located on the bottom of the sink.
- We will accept the brochure provided with the faucet in lieu of proof of purchase.
- Should Dealers provide replacement product to consumers they do so at their own risk. Dealers may submit a warranty claim to BLANCO which will result in a Returns Authorization. Upon confirmation of the defect, BLANCO will provide a free replacement of the product.

SILGRANIT Sinks

LIMITED LIFETIME WARRANTY on SILGRANIT

BLANCO America carries a LIMITED LIFETIME WARRANTY ON SILGRANIT® sinks to be free of all manufacturing defects under normal use. Please refer to the below for specific warranty information

Limited Silgranit Warranty BLANCO America will replace without charge, (excluding transportation and any labor costs for removal or reinstallation) any Silgranit sink supplied by BLANCO America that is proven to be defective, with an equivalent replacement, to the original owner, provided it has been used solely in a residential application, installed in accordance with the BLANCO installation instructions, used and cleaned as recommended, and not damaged due to abuse, misuse, or negligence.

For installed warranty concerns, please contact BLANCO America directly via email at warranty@blancoamerica.com for further information and proper documentation. In the event of a warranty claim, the owner will be required to provide proof of purchase. This warranty will not cover any damages which might be caused by the product. (Some states do not allow such limitation, so this reference may not apply to you.) BLANCO America reserves the right to inspect any sink or faucet reported to be defective prior to replacement of the sink. All decisions are final.

BLANCO America shall not be liable in case of, improper installation or modification, damages resulting from abuse, such as heavy impact or dropped objects, improper care or maintenance, Improper applications (such as exposure to corrosive chemicals, photographic solutions, etc.), any modifications made to the product after it left BLANCO America premises, and commercial applications. This warranty supersedes all other warranties, expressed or implied. The foregoing warranties are exclusive and made only for the buyer. NO OTHER WARRANTY, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE SHALL BE DEEMED TO EXIST IN CONNECTION WITH ANY OF THE GOODS OR SERVICES SUPPLIED HEREUNDER, AND ANY IMPLIED WARRANTIES FOR A PERIOD GREATER THAN THE WARRANTY PERIOD CONTAINED IN BLANCO AMERICA'S LIMITED WARRANTY ARE HEREBY EXCLUDED. BLANCO AMERICA INC. SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES IN ANY WAY RELATED TO THE GOODS OR SERVICES SUPPLIED HEREUNDER

No employee, agent, or other person is authorized to give any warranties on behalf of BLANCO America, Inc. in addition to or different from the herein given to assume for BLANCO America, Inc. any other liability in connection with any of its products except if in writing which is signed by an officer of BLANCO America Inc. and expressly and intentionally gives such warranties or assumes such liability.

SILGRANIT Exclusions

The Silgranit warranty does not cover chipping, cuts and nicks, freight/ shipping damage, holes drilled or knocked out incorrectly, installation damage, scuff marks, exposure to sink surface of temperatures over 536°, using sink for cleaning paint or grout materials.

Warranty Information
